Results-driven Data Analyst with 7 months of professional experience in data analysis, dashboard development, and business intelligence. Proficient in Python, SQL, Power BI, Excel, and Tableau, with hands-on experience transforming raw data into actionable business insights. Passionate about solving business problems through data-driven decision-making.

TECHNICAL SKILLS

- **Data Analysis:** Power BI (Desktop, Service), Tableau, Advanced Excel, DAX, Power Query (M-Query).
- **Programming:** Python, SQL, R Programming, JavaScript, Java.
- **Database:** MySQL, SQL Server, MongoDB
- **Libraries:** Pandas, NumPy, Matplotlib, Seaborn.
- **Developer Tools:** Git, GitHub, VS Code, MS Office, Postman, Jupyter Notebook.
- **Web Technologies:** React.js, Node.js, Express.js, HTML5, CSS3.

WORK EXPERIENCE

1. **Data Analyst | MacHanas, Bengaluru Jan 2025 – July 2025**
 - Managed and validated large business datasets to improve reporting accuracy.
 - Automated reporting workflows using Power BI and Excel, reducing manual effort.
 - Developed dashboards that supported business decision-making.
 - Performed data cleaning and preprocessing to improve data quality.
 - Collaborated with cross-functional teams to deliver actionable insights.
2. **Data Analyst Intern | LearnBay, Bengaluru March 2024 – November 2024**
 - Analyzed datasets to identify trends and support KPI tracking for business performance.
 - Designed interactive dashboards using Power BI and Excel to visualize key metrics.
 - Performed data cleaning, validation, and transformation to improve data quality.
 - Automated reporting processes, increasing operational efficiency.
 - Delivered actionable insights that supported informed business decisions.
3. **Data Analyst Intern | InnoByte Services, Delhi October 2024 – November 2024**
 - Analyzed retail sales data using Python, SQL, and Excel to identify sales trends and customer behavior.
 - Built interactive dashboards and visualizations to present business insights effectively.
 - Applied data cleaning and preprocessing techniques to improve data accuracy and reporting quality.
 - Generated reports that supported inventory planning and sales strategy improvements.
 - Presented analytical findings through clear visualizations and business-focused recommendations.
4. **MERN Stack Developer Intern | Mevi Technology June 2023 – December 2023**
 - Developed responsive web applications using the MERN Stack (MongoDB, Express.js, React.js, and Node.js).
 - Built reusable React components and integrated REST APIs for dynamic data handling.
 - Designed and managed MongoDB databases using Mongoose.
 - Implemented CRUD operations, authentication, and responsive user interfaces.
 - Collaborated with the development team using Git and GitHub for version control.

PROJECTS

1. **Sales Insight Dashboard | Power BI**
 - Objective: Identified sales trends and profitability in retail datasets.
 - Tools Used: Python (Pandas, Matplotlib, Seaborn).
 - Outcome: Helped uncover insights to improve pricing strategies and product prioritization.
2. **Retail Sales & Profit Analysis| Jupyter Notebook**
 - Objective: Created a dynamic dashboard to visualize top-performing categories and profitability metrics.
 - Tools Used: Power BI, DAX, Python
 - Outcome: Enhanced business decisions through real-time visual insights.
3. **Movie Ticket Booking System | MERN Stack | Tech Stack:** React.js, Node.js, Express.js, MongoDB, JWT, Material UI
 - Developed a full-stack Movie Ticket Booking System using the MERN Stack.
 - Implemented secure user and admin authentication using JWT.
 - Built features for movie management, show scheduling, seat booking, and booking history.
 - Integrated REST APIs with MongoDB to manage users, movies, and booking data.

EDUCATION

Master of Computer Applications (MCA)

- St. Francis College, Bengaluru City University |2021 – 2024 | CGPA: 7.6 / 10

Bachelor of Computer Science (BSc)

- St. Anne's Degree College | 2018 – 2021 | CGPA: 8.01 / 10

LANGUAGES

- **English** – Professional Working Proficiency| **Kannada** – Native | **Hindi** – Fluent

CERTIFICATION

- **LEARNBAY ACADEMY**– Data Analyst Certificate March 2024 –November 2024
- **PWC**– Power BI Completion Certificate
- **IBM**- IBM Data Analyst Professional Certificate & IBM Data Visualization Using Power BI.
